

ENGLISH EXAM PAPER : ANG 1221

A/ Reading Comprehension (12pts)

Read the following passage carefully then answer the questions

Text : Presenting a job and a company.

"My name is Stuart Pearson and I work in the computing department at P.C.T. International. I'm a computer programmer. My job is to write new programmes and to sort out problems with people's computers or printers. Sometimes I help to sort out problems with our network. We have hundreds of computers at P.C.T."

P.C.T. is an international company with its head office in London. It has three divisions located in Germany, Belgium and the United Kingdom.

I work in the Connectors division, which is based in Manchester and is managed by Jack Heslop. Mr Heslop is in charge of the plant and is responsible for coordinating all 7 departments: Sales, Production, Finance, Human Resources, Computing, Purchasing and Quality.

Personally, I work in a large office with 14 other programmers. I report to Peter Kirkham, who is in charge of all the programmers and also the 5 systems analysts. Mr Kirkham reports directly to the plant manager. (Jack)

We design and manufacture connectors for the car and the telecommunications industries. We export about 40% of our production."
